

Based on over twenty years of Leadership Fellows, the program has determined the below best practices and key elements that lead to a successful Fellowship year. Please keep in mind the following as you consider applying and complete your proposal.

## 1. DETERMINE IF YOUR ORGANIZATION IS A FIT FOR THE PROGRAM

The Leadership Fellows program has found Fellows to be most successful at organizations with:

- An understanding of the role of an MBA and the capacity for utilizing leadership and management skills
- The necessary funding and resources. Organizations with budgets below \$10 million and less than 25 full-time employees may be asked for additional information to affirm the proposed work of the Fellow will be sufficiently supported and will remain a priority for the organization
- Leadership that has significant management experience and is committed to the success of the Fellow

Note: Early-stage nonprofit or public sector organizations must demonstrate an ability to leverage the MBA skillset and provide a meaningful leadership experience

Does the work of your organization and the scope of the position align with student interests?

- Your organization is a nonprofit or public sector organization, and is a leader or an emerging leader in its field with demonstrated impact and recognized innovation in its sector
- Your organization is effectively carrying out its mission and can speak to the impact that it is having
- The position reports to the CEO (or equivalent senior-most leader) or another senior leader at the organization along with regular access to the CEO. Positions that do not engage directly with the CEO are unlikely to be selected
- The position provides a clear sense of deliverables for the role over the course of the 1-year Fellowship

## 2. ENSURE THE POSITION MEETS PROGRAM REQUIREMENTS

The Leadership Fellows program has found Fellows to be most successful at organizations with:

- **Access** – Meaningful engagement with senior leaders in the organization and in the field via a direct reporting relationship to a senior executive in the organization along with consistent access and exposure to with leadership across the C-suite
- **Impact** – Ability to work on and influence projects of key strategic importance to the organization
- **Leadership** – An experience that involves management and leadership development activities distinct from a fulltime position and tailored to advancing post-MBA skill set

### 3. PROVIDE A DESCRIPTION OF THE ROLE

#### Where in the organization will the fellow be working?

- Specify the team, department or initiative the Fellow will be working in
- Lay out the primary goals of this department/team/initiative (include high-level strategy and/or strategic goals)

#### Who in the organization will the fellow be working for?

- Describe the person(s) the Fellow will be reporting to and working with on a day-to-day basis
- Outline internal and external stakeholders whom the Fellow will engage with: board members, trustees, constituents, etc.
- Demonstrate how Fellow will have meaningful interactions with senior executives and C-suite leadership: attend key leadership meetings, 1:1 mentoring conversations with CEO, attendance at board meetings, etc.

#### What projects and/or initiatives will the fellow be responsible for?

- Explain what the Fellow will be responsible for developing, managing, and supporting
- If specifics are not yet available at the time of application, elaborate in more detail on the strategic goals of the team or initiative most closely aligned to the anticipated work of the Fellow
- Include how the contributions of the Fellow will impact the organization during and beyond the 1-year Fellowship
- Provide insight into anticipated deliverables of the Fellow or the team with whom they will be working

### 4. EXPLAIN HOW THE MBA SKILLSET WILL BE APPLIED IN THE ROLE

Focus on the application of the MBA skillset in crafting the position and determining preferred qualifications, including:

- Quantitative Skills
- Analytical Skills; Data Analysis
- Strategic Thinking and Planning
- Communication Skills; Presentation Skills
- Project Management
- Problem Solving
- Entrepreneurial Skills; Entrepreneurial Spirit
